INSTRUCTIONS & TIPS

1. Use the 2nd largest Deckled Rectangle to cut rectangles from 3 sheets of DSP. Place the same die back on the DSP to add the angled cut out from the bottom. ****ALERT!!**** Be sure the rectangle die is not sticking out from the side of the platform or it will be bent and ruined when put through the Die Cut Machine.
2. Stamp and punch the Santa and Mrs. Claus characters from Basic White cardstock, stamped in Tuxedo Black ink. Use Stampin Blends Markers to color as desired.
3. Punch three stars each from the light green Festive Glimmer Paper and the Real Red cardstock. Layer with dimensionals.
4. Apply a piece of Adhesive Foam Sheet to the back of some Real Red cardstock. Use the Alphabet Dies to cut the letters J O Y and adhere to stars.
5. Tie a bow from Baker's Twine and adhere next to the J on the first banner piece.
6. Add Santa and Mrs Claus with Dimensionals to the banners. Stamp the 'merry and bright' greeting in Real Red ink on Crumb Cake cardstock and punch. Add to banner.
7. Attach all three banners to a length of Polka Dot Trim.
